**DETAILS OF CURRICULUM (2024-25)**

Padampur Public School has designed the curriculum according to the expectation of the students so that the students can know do and understand the educational activities. The curriculum is flexible and relevant which encourages the students to build up a sense of personal identity. The ultimate goal for curriculum design is to deepen learning and support students in gaining important core competencies such as criting and creating Thinking, skill communication and demonstrating care for self and other. The school puts stress on curriculum design which involves Manning activities, reading, lessons and assessments designed to achieve educational goals. The teachers organizes the class curriculum as educators and prepare to deliver lessons and course material. Every activities are mapped by the principal for the competencies and life skill of the students. The curriculum is designed by giving equal importance to elective and compulsory areas.
